

Partnering for Prevention

Please join us for a meeting to discuss ways in which to strengthen families, prevent child abuse and improve the outcomes for children in your region of the state.

-  Discuss needs in your community,
-  Hear how to stay connected during the upcoming legislative session,
-  Get information and materials that you can use in your program,
-  Meet and network with others working on behalf of children and families, and
-  Learn how you can be a part of the COLOR a Brighter Tomorrow for Children Project!

We hope that you will attend the event in your area!
